
Do we have a \"2008/9 kits\" thread yet?

If so, sorry for missing it. If not, here it is.

Anyhow, my lot have just unveiled their offering for next season (as modelled by annoying Glaswegian DJ Cat Harvey). From the front it looks like a genuine, no-messing-about, I-want-one-of-those-to-wear-to-the-5-a-sides, Thistle strip:

But alas, Puma have gone down the "no hoops on the back" route:

Nooooooooooooooooo!

I think this "return of the sash" thread is the 08/09 kits thread

Ah right - due to a long-standing aversion to the Old Firm, I usually avoid threads with the word "sash" in the title...

Our new away kit is 'tangergreen' - i.e. tangerine with green trim, in deference to our manager Paul Sturrock and his love of Dundee United. It's bad, but not as bad as our current day-glo yellow.

Still, better than last season's green, I suppose.
