
Pubs near-ish Burnley?

Last minute I know but any suggestions for a decent place outside the town (I've been warned not to drink in Burnley itself) for a drink tomorrow, ideally with Sky Sports to catch Grand Slam Saturday Lunchtime.

There is a cricket(?) club next to Turf Moor that usually allows away fans in. It's mixed fans, and 20p in, but the beer's cheaper because it's a social club.

No Sky though.
