## Out of the frying pan...

Posted by Houdi Elbow - 25-04-2008 21:10

---

Another potential investor in Wednesday is revealed:-

Am I right to be worried about Jon Sotnick potentially taking over? The fact that Steve Evans has endorsed him has the alarm bells ringing already.

Suddenly tomorrow's game is the least of my worries.

I was sceptical about Sheard and the Russians, but this guy has me shitting my pants. After what Sturrock has said about Kaven Walker, the Sotnick declaration of love for kaven fair fills me with dread.
