
The Guardian

Posted by Desperately Seeking - 18-05-2008 00:45

Is it me or has the online Guardian not been updated since friday?

Anyone know why?

Er. It's you, I think. I mean, all the FA Cup stuff was there, including a minute by minute during the game.

it's definitely you. if it bothers you i'd clear your web cache and maybe restart your pc and see if that solves things
