
I've just been abused

Posted by Kowalski - 18-07-2008 21:01

I was looking at a rival clubs' message board (Rhyl) and I noticed that one of their fans was writing nasty things about me. I feel violated.

Has this happened to anyone else?

Yeah. The Bradford Park Avenue message board. Their chairman described me as a "krank" (sic) and stated that I should "keep collecting your £167.00 per week after tax" (all of this, obviously, without knowing where the original article that so offended him came from or even what my name is).

It's a badge of honour to have enemies in the right place.

Nothing major really

"Rhyl's top boy and his bodyguard chuckled in the stand with laughter as City got ripped to shreds tonight.

Bangor oh's perfect 500 support, had a mong ejected by the Wrexham stewards for i think he was trying to get on the pitch and smack the keeper and then spit at the full back, but from his seat at the back row of the main stand, it was a journey too far, and the stewards stopped him, in his tracks.

At the final poor old Les Davies left the pitch on a breathalyzer machine after chasing shadows all night.

And Nige P and Che(My Welsh message board persona) were spotted in the toilet cubicle making funny noises."

Not on a fans' message board (as far as I know, I probably have been slagged off) but an member of one of my ex-bands is writing his life story on his MySpace site and has been slagging me off throughout. I am starting to think he is obsessed with me actually

5 years ago, I would have debated with him at length but his writing is actually quite funny.

I too have been slagged off on various message boards (leigh Genesis, BPA, Ashton United), due to my blog. But equally, there are those who love me and reckon I'm skill.

I'm getting this:

http://www.wsc.co.uk/component/option,com_fireboard/Itemid,35/func,view/id,65984/catid,27/#65984

Printed off, framed and hung in the downstairs toilet.

Edit: Oh, FUCK IT.

The great thing about that is the way it addresses none of the points you made and barely makes sense, yet is treated by the idiots who use that forum as if it were dictated from the top of Mount Sinai by God himself.

It's total, laughable bollocks. Much like their tour of Spain. Ho ho ho.

That's confirmed now, then, is it? I'd been holding fire on that little gem until you got back.

All confirmed by Rory himself, and a source at BPA, who claims it was 'Bob Blackburn's idea of a joke'.

Good one, Bob.

I might manage to have a thing or two to say about it tomorrow. He's got a strange sense of humour, I'll give him that.

I was watching a lot of The Sopranos last week, having fuck all else to do, and there was a scene where Vito Spatafore, one of the Soprano family captains, was found by two young hoods all leathered up in a gay bar, holding hands with another guy.

Having been rumbled, and fearing reprisals and humiliation among his peer group, Vito, pathetically yelped "It was a joke! It's a joke!" while the two young hoods could only reply, "Yeah, sure Vito. A joke."
