

GIANT ST

Spurs' new ground is impressive, but where does it fit in the list of biggest football stadiums in the UK?

20 CARDIFF CITY STADIUM

Used by Cardiff City
Capacity 33,280
Year opened 2009

Top fact One area of the stadium has red seats, put in when the owners briefly changed Cardiff's shirts from blue to red because they thought red was a lucky colour.

18 RIVERSIDE STADIUM

Used by Middlesbrough
Capacity 34,742
Year opened 1995

Top fact It is next to the town's main river, the Tees, which is why it's called the Riverside.

17 ELLAND ROAD

Used by Leeds United
Capacity 37,890
Year opened 1897

Top fact The ground's floodlights used to be among the tallest anywhere in the country.

19 PRIDE PARK

Used by Derby County
Capacity 33,597
Year opened 1997

Top fact Pride Park has many items from Derby's previous ground, including the old stadium clock in one of the stands.

16 GOODISON PARK

Used by Everton
Capacity 39,572
Year opened 1892

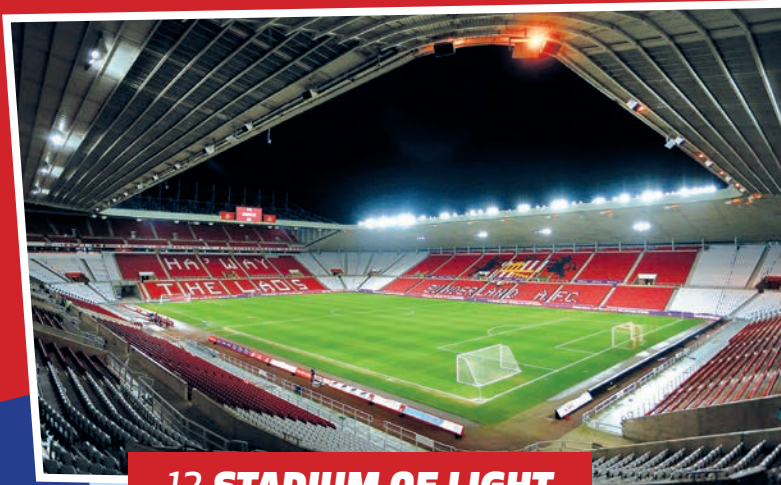

Top fact Everton supporters call Goodison "the old lady", because it has been around for so long.

FA Cup

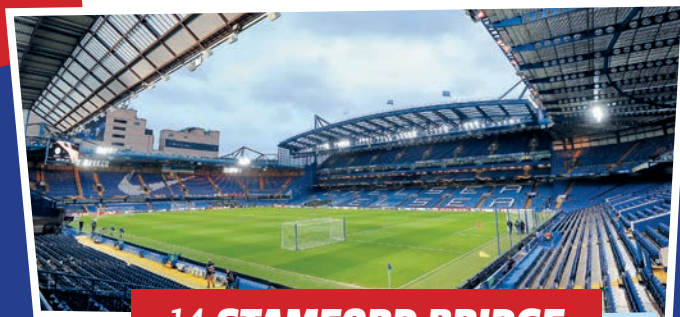

15 HILLSBOROUGH

Used by Sheffield Wednesday
Capacity 39,732
Year opened 1899
Top fact Some Euro 96 and 1966 World Cup matches were held here, plus 27 FA Cup semi-finals and even a League Cup final replay.

12 STADIUM OF LIGHT

Used by Sunderland
Capacity 49,000
Year opened 1997
Top fact Last year Sunderland held a Volunteer Day to replace the stadium's seats which had faded in colour. The club say that 29,836 seats were changed by 3,523 fans.

14 STAMFORD BRIDGE

Used by Chelsea
Capacity 41,631
Year opened 1877
Top fact It was the biggest ground in London until the old Wembley was built in 1923.

13 VILLA PARK

Used by Aston Villa
Capacity 42,785
Year opened 1897
Top fact Before seats were put in, the Holte End at Villa Park held over 20,000 fans.

11 IBROX

Used by Rangers
Capacity 50,817
Year opened 1899
Top fact The huge red brick front of the main stand looks like a castle and there used to be a press box on the roof, which had turrets and battlements.
